

4th Meeting of the Asia-Oceania Society of Sonochemistry September 19-21, 2019 Nanjing University, Nanjing, China

The organizing committee of the AOSS-4 invites international sonochemists to the 4th meeting of the Asia-Oceanic Society of Sonochemistry to be held at Nanjing University, Nanjing, China. The meeting aims to provide a platform for academic presentations and discussions on the following fields:

- Cavitation, Sonochemistry & Sonoluminescence
- Sonoprocessing (e.g.: Dairy, Food, etc.)
- Materials Science (e.g.: Colloids and Nanomaterials, etc.)
- Environmental Sonochemistry
- Ultrasound in Medical Applications
- Other Related Areas

The program will include plenary/keynote/invited lectures, oral as well as poster presentations.

First Call for Papers!

Important dates

Abstract submission dateline: March 1, 2019

Acceptance notification: March 31, 2019

To register your interest in participation, please send an email to MS. Jing Dong
Email: aoss4.2019@nju.edu.cn

Meeting Chairmen:

Prof. Junjie Zhu, Nanjing University

Prof. Xiaojun Liu, Nanjing University

Prof. Muthupandian Ashokkumar, University of Melbourne

Further details regarding registration, abstract submission, etc. will be sent in the near future
